Colorado Springs, Colorado 80907

Dear Wayne,

This is to confirm your reception of our signal on 8-5-83, from 5:20P.M. to 5:36P.M. ~~KPIK~~ KPIK is an AM Daytimer with Five thousand watts of power, and a non-directional signal on the frequency of 1580Khz. The Studio is located in Downtow Colorado Springs at 120 E. Platte, Directly North of Acacia Park. The Transmitter is located in the Northwest part of the city, at I 25 and Garden of the Gods Road, Generally.

Thank you for your report.

Sincerely,
Sharon M Williams
KPIK Station Manager
