Dear Mr. Heinen:

Merry Christmas...from 1982!!! Sorry it took so long to respond to your reception report of 1170, KSGR, but a whole stack of reception reports went down behind a file cabinet, and we just located them.

Your reception report was correct. And, thank you for the brochure you sent on DXing. It was truly appreciated.

Have enclosed some of the KSGR propaganda...as much as I could locate. Again...sorry about the truly excessive delay. We don't usually wait a year and a half to answer a reception report!!!!

Yours truly,

Quin Morrison
Operations Manager - Chief Engineer

P.S. You probably can just get our FM station...QUAD 99 at 99.1 if you are on the north edge of Colo Spgs.
