Dear Wayne Heinen,

We received your letter today. I would like to confirm your report, as listed.

We are new owners of KSIR-AM for the last year. We took over ownership last August of 1996.

It was fun to receive your letter. Good luck with your radio club. If you are ever in our area again, please stop in and say hi. We always love to meet fellow "radio-people."

Sincerely,  
Carl Johnson
