Dear Mr. Heinen :

Thank you very much for your letter concerning reception of KSTR.

It was unusual that within a period of four days we received four letters of reception. Grand Marais, Minnesota , Neosho Rapids, Kansas , Stamford Ct., and your letter . Three months ago we received a card from a man who lives 200 miles South of Tokyo , Japan .

We are NBC and Country and Western in our format . Witchita Falls, Texas and Phoenix both have stations on our frequency .

Your identification of our programming was correct .

I am enclosing our coverage map and also a card .

With best regards

Bob Collins
