Dear Mr. Heinen:

Greetings! I was very pleased and honored that you took time to write in to KVVS Radio and report your reception to our office and studios here in the friendly City of Greeley.

I want to indeed verify that our radio station KVVS is a full Spanish language radio station from sunset to sundown. Our antenna is located in the City of Windsor which happens to be 10 miles west from Greeley. We invite you to visit KVVS whenever you are in town.

Sincerely yours,

Veronica Sanchez-Velasco
