Dear Mr. Heinen:

Thank you for your letter of May 3rd regarding your reception of our AM station. KWYD AM went on the air on February 8, 1988 at 5,000 watts at 1580 kHz. The power was raised to 10,000 watts in March.

The format is Country Gospel music with some Christian programs. The station is the old KPIK station that went dark in May 1987.

If you need any further information please feel free to write or call. For further information, KWYD FM has been broadcasting since 1973 and the two stations are not simulcast.

Sincerely,

Jody Esler
Assistant Mgr.
