Wayne,

Thanks so much for your letter. It's good to know that you were able to receive 1460AM KZNT in Aurora, CO on October 10th, 2003 from 4:40PM until 4:44PM.

We just purchased 1460 KZNT at the beginning of October and we are in the process of making numerous improvements to the tower site. We hope to have a higher quality signal in the months to come. Thanks again for the information you were so kind to provide.

Sincerely,

Phil Lewis
General Manager
