Dear Mr. Heinen:

Thank you for your reception report of our test broadcast of January 8, 1968.

I am very happy to verify your reception.

Most of the reports I have received so far have indicated that WFCL still had their transmitter, or carrier rather, on when I came on, but it didn't affect some people's reception and some it did.

I was sorry that your reception could not have been better, but I thank you for listening anyway.

Enclosed you will find a coverage map, and also a bumper sticker.

Thank you very much once again for your report.

Sincerely,

Robert L. Watson
