Dear Mr. Heinen:

Thank you for your phone call and your letter. I have received twelve letters since conducting the test and yours was the farthest distance from Calhoun. I did receive two letters from Nebraska and one from Kansas.

I was on the air from 1228 to 2:05 AM EST for the National Radio Club. The notes you sent concerning your reception was accurate in every detail.

We at W.J.T.H. are proud to have you as one of our listeners- we may never be heard that far away again.

Sincerely,

John G. Cunningham
