Dear Mr. Heinen:

I am in receipt of your letter dated October 26, 1988 and am pleased to verify that you did in fact receive our signal on the morning of October 26. What is remarkable is that we are only a 500 watt station.

I hope this letter will be sufficient for verification. I am sorry to say that we do not have any bumper stickers at the present time.

Thank you for writing.

Sincerely yours,

John Patrick
Operations Director
