Re: Reception of KPSZ-AM

Dear Wayne,

This letter is to verify your reception of Praise 940 KPSZ, Des Moines on 940 Khz between the hours of 10:03pm and 10:07pm CST on March 8<sup>th</sup>, 2003.

Let me say that I am amazed whenever I receive a letter like this. This is why I love the AM band so much! I know that at the time you were listening we were on a satellite network that provides our Christian music for us. They also play the jock liners from our computer by sending a tone over the satellite to our systems. I do not have a log that I can check to confirm anything, but our slogan/positioning statement is "You found your home for Today's Christian Music and The Word".

KPSZ, as I'm sure you know from KIOA/KXTK is a 10Kw signal by day and 5Kw by night. We operate a 24/7 schedule with ministry programming mixed in with adult contemporary Christian music. We also have a website at [www.praise940.com](http://www.praise940.com).

Thank you for your letter and hope that you continue to have much success in you DX endeavors.

Sincerely,

A handwritten signature in black ink that reads "Paul Guthrie". The signature is stylized and cursive.
