Dear Wayne:

We received your *card of May 30, 1964*. The information you sent is inadequate to obtain a QSL card. WOWO receives many requests for verification from all countries of the world. We are both pleased and honored by these many listeners.

WOWO is on the air 24 hours a day with the exception of Monday, when we sign off at 12:05 a.m. and sign on again at 5:15 a.m. The transmitter building, located in Roanoke, Indiana, and the studio, located at 128 West Washington Boulevard, have both been recently remodeled. WOWO operates on 1190 Kilocycles with a power of 50 thousand watts. We are a member of the "Group W" stations, owned and operated by Westinghouse Broadcasting Company, Inc.

If you will send the date, time and name (or some program content), we will be glad to send you a QSL card in verification of your reception of WOWO. Many hours of pleasant listening to WOWO.

Best regards,

Gale Hitchcock
