Dear Wayne,

Thank you for your letter of reception. It is always a pleasure for us here at Radio Cayman hearing from our overseas listeners. Our sincerest apologies for the long delay in replying.

From the information which you have provided, we can confirm that it was Radio Cayman to which you were listening.

Grand Cayman is the largest of the three islands which make up the Cayman Islands. The Islands are known as a Financial Haven with Banking and Insurance taking the lead. To crown this off the islands are famous for their white sandy beaches and sparkling waters and are second to none for diving, quite often referred to as the Super Bowl for Scuba Diving.

We do hope that you will continue listening for our signal whenever possible, and that you will keep in touch.

Sincerely

Wayne Banks
