

# Reception Confirmation

**Radio Vision Cristiana, International**  
**530AM South Caicos, Turks and Caicos Islands**  
**British West Indies**

Today's Date: DEC 11, 04

Dear WAYNE,

Your reception of our radio station on 530Khz on Nov. 13, 2004 between the hours of 8:40 and 8:50 EST, is hereby confirmed.

Radio Vision Cristiana International broadcasts at a Power output of 40kW into a single 485 foot antenna using a Nautel Brand Ampfet50, 50kW AM Broadcast transmitter. This transmitter facility is located at the North end of South Caicos in the Turks and Caicos Islands, BWI.

Our main offices and studios are located in Paterson, New Jersey and our program audio is distributed via Galaxy 6 satellite.

Our local Manager/Technician on South Caicos is Mr. Wendell Seymour. He has been with the station since it was the Atlantic beacon on 1570AM prior to 1991.

Thank you for your reception report. We really appreciate it.

Regards,

**Peter Polanco**  
Chief Engineer  
Radio Vision Cristiana
