U. S. A.

21-2-1968

Dear Mister Wayne!

Thank you very much for your reception report, which has been checked with our schedules and found to be correct. We are very glad to verify herewith your report.

You have listened to our 400 kW medium-wave-transmitter in Langenberg on 1586 kHz (189,1 m) on ~~16-1-1968~~ from ~~0534~~ to ~~0603~~ GMT. Next year the power will be 800 kW.

Langenberg is located between Dortmund and Düsseldorf. It is transmitting the common first Radioprogramme of the both german radio organisations "Westdeutscher Rundfunk, Köln" (WDR) and "Norddeutscher Rundfunk, Hamburg" (NDR). Therefore you can either hear the announcement: "Hier ist der Westdeutsche Rundfunk, Erstes Programm" or "Hier ist der Norddeutsche Rundfunk, Erstes Programm".

With kind regards

WESTDEUTSCHER RUNDFUNK
Technische Direktion
