Dear Sir:

This will serve as verification of your reception report of KSAJ-AM on January 24, 1987.

I do not have any bumper stickers to send you. However, in lieu of that, I am sending a coverage map/market survey that reflects our area of influence. The coverage map is for our 100,000 watt FM; although I have received our AM signal nearly as far on my car radio.

Best wishes for '87...

Sincerely,

E. Joe Eck, AIØA
