WAYNE HEINEN
4131 S. ANDES WAY
AURORA, CO 80013

DEAR MR. HEINEN,

HI, WAYNE! IT'S GREAT TO HEAR FROM YOU..CONSIDERING THE FACT THAT WE HAVE A 1 KW AM STATION THAT IS CONSIDERED A "RED HEADED STEP-CHILD" IN COMPARISON TO OUR FM, I'M AMAZED THAT SOMEONE (ANYONE!) WAS ACTUALLY LISTENING TO US THAT EARLY IN THE MORNING ON 1470, KYUU, LIBERAL, KANSAS..

WAIT A MINUTE! DID I SAY KYUU? THAT'S RIGHT, WE NO LONGER HAVE AN AM WITH THE CALL LETTERS KILS..WE ARE NOW 101.5 FM, KSLS, AND KYUU-AM.. THIS CALL CHANGE HAS BEEN MADE BECAUSE OF SOME CHANGES OUR STATIONS WILL SOON BE UNDERGOING..

ALL OF US ARE VERY EXICITED ABOUT OUR "NEW" STATION, HOWEVER THE CHANGES DO CREATE ONE PROBLEM..WITH A CHANGE OF SLOGANS AND CALL LETTERS, WE NO LONGER HAVE ANY BUMPER OR WINDOW STICKERS, AND ALL OF OUR PROMO ITEMS HAVE BEEN SHIPPED BACK TO OUR CORPORATE HEADQUARTERS..I SCROUNGED AROUND OUR STORAGE AREAS AND WAS ABLE TO COME UP WITH THE FEW PITIFUL ITEMS I AM SENDING YOU..I'M SORRY I HAVE NOTHING ELSE TO SEND YOU.

FOR YOUR VERIFICATION FILES, WE ARE KSLS-FM 101.5 OPERATING AT 100 KW WITH BROADCAST TIMES FROM 5:30 AM TILL 12:00 MIDNIGHT..OUR AM IS 1470, KYUU, RUNNING 1KW DAYTIMES, 500 W "LOW POWER" AND USING A POST SUNSET AUTHORITY OF 230 WATTS.. WE SIMALCAST ALL PROGRAMMING..

I HOPE THIS LETTER HAS BEEN A HELP TO YOU, AND HOPE YOU ENJOY YOUR HOBBY..IT SOUNDS LIKE A LOT OF FUN!

SINCERELY,

"LOVABLE" LARRY STONECIPHER, PROGRAM DIRECTOR
