Dear Mr. Heinen:

I am pleased to confirm your reception of Radio Station KVOL on January 2, 1968 at 12:23am CST.

At the time of your reception KVOL was operating 1KW non-directional and running a frequency check for Commercial Radio Monitoring Company, Lee's Summit, Missouri. This is a regular schedule test on every first Tuesday of the month from 12:10am to 12:30am, CST.

Congratulations on being a National Radio Club member and keep up the good work.

Thanks for the reception report and enclosed please find additional information about KVOL.

Sincerely,

A handwritten signature in dark ink, appearing to read 'W.A. LeBlanc'.

W.A. LeBlanc  
Chief Engineer
