Dear Wayne:

Thanks for your most welcome letter stating that you had heard KDJS. It was quite a surprise to hear that you had picked us up in Colorado.

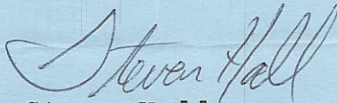

Yes, your information was correct with a Willmar Chamber of Commerce PSA followed by "KDJS Crop News"

Prior to May 17, 1993, KDJS 1590 was a country station. In May KDJS 1590 became an oldies station and a new FM station, K95.3, became "hot country". KDJS 1590 AM is on satellite from California for 14 hours per day and I am live for 4 hours per day.

Thanks again for your letter.

Seasons Greetings.

Yours truly,

Steve Hall
