Dear Mr. Heinen:

Thank you for your interest in KKCM. We are indeed a new station in the St. Cloud-Waite Park, Minnesota area. Our first day of broadcasting was October 5, 1981, so you weren't very far behind in picking us up.

We appreciated the brochure you sent, and found it very interesting. Good luck with your hobby. Please consider this verification of your reception.

Happy Holidays,

Sincerely,

Rich Fellingham
KKCM General Manager
