Aurora, CO 80013-3831

Dear Mr. Heinen;

Thank you for your letter concerning reception of KATQ Radio International.

It is always interesting to hear from people involved with the BCP DX hobby and The National Radio Club and also to hear how far the KATQ signal might reach.

Perhaps sometime you will be able to visit N.E. Montana ,be able to enjoy the full signal of KATQ and enjoy our Big Sky County.

Sincerely;

B. Simon
