Mr. W. W. Heinen
126 Linwood Avenue
Orchard Park, New York

Dear Mr. Heinen:

Thank you for your letter of August 29, 1967.

This will confirm your reading of WENC on July 20, 1966, during a test transmission for the purpose of checking frequency.

We hear from many DX'ERS around the Country, and you folks must be quite active.

Sincerely,

D. W. Viets,
General Manager
