1220 ON YOUR DIAL

JONAS R. BRIDGES, General Manager

Phone ###  
739-3672

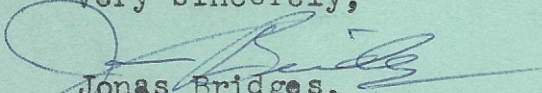

Dear Mr. Heinen:

This is to verify your reception of WKMT Radio on February 14, 1966 while we were conducting equipment tests. Your letter of February 14th., does indeed, prove to us that you received our signal.

The "test period" by FCC rules is from midnight til 5:00 a.m. local time. We do not schedule regular test periods...only when necessary. The night you heard us, we were installing a modulation transformer and tuning the transmitter in general.

Thanks for your interest.

Very sincerely,

  
Jonas Bridges,  
General Manager
