Dear Sir,

I am very pleased to report reception of KLXX on 1270 kHz on 3-7-83 from 1:19am until 1:24am MST. KLXX had a fair signal during this time with interference from KFJZ Ft Worth TX & WHBF Rock Island ILL. I would like to offer the following program details as proof of my reception:

- 1:19am Song ending "Evil Ways" by Santana & a Public Service Announcement by the Dept. of Motor Vehicles
- 1:20am Weather for Bismarck & Mandan by male DJ on 1270 Klicks & song Just You & I.
- 1:24am DJ read promo on winning cash on 1270 Klicks followed by song Slip Slidin' Away.

Your slogan had me a little confused until I heard mention of Bismarck & Mandan, that gave it away as a acronym for KLXX! I use a R-390A/URR Army surplus triple conversion receiver with a 15" ferrite core loop antenna. I'm located on the north edge of downtown Colorado Springs. By trade I'm a Real Estate appraiser and have been a BCB DX'er since 1964, the last 7 years here in Colorado.

Please find enclosed return postage to facilitate your reply, also a brochure about the BCB DX hobby and the National Radio Club of which I'm a member. I would appreciate a verification from KLXX to add to my collection if this report is found correct.

Thanks in advance for your time and consideration in answering this report.

Sincerely,

Wayne Heinen
