Dear Wayne:

Thankyou for your interest in KBRL-AM which is McCook's first radio station with 5,000 watts and currently carries a contemporary country format.

I am enclosing a coverage map and a bumper sticker from our KICX- FM station, 96.1.

We will have other promotional material coming next year for KBRL-AM, and if you would like more information we would be more than happy to send it to you upon request.

Sincerely,

Ron Crowe
