Jerry Sorensen, Program Director

Mr. Wayne Heinen,

This is a short note to confirm your reception of KCRO on 12-9-79. We appreciate you taking to time to drop your letter to us.

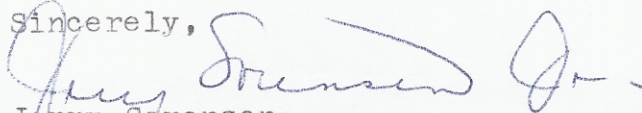

KCRO has a very fine signal that covers 4 states-daytime.

We believe that KSKY very possibly was the other station you heard as many folks have said the same thing.

Enclosed is a history of this station, the first station in Nebraska.

Have a super good day!!

Sincerely,

Jerry Sorensen
