Wayne Heinen
Colorado Springs, Co.

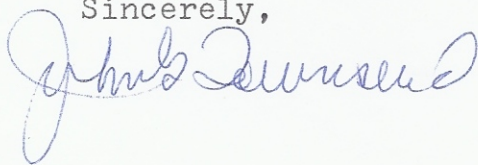

Dear Wayne:

This letter will confirm your reception of KJLT, 970 khz., North Platte, Ne. on January 14, 1981 from 1:29 am to 1:33 am CST

KJLT operates daytime only with 5,000 watts of power. We have a new Rockwell-Collins high level modulation transmitter that is performing beautifully.

Thank you for your report.

Sincerely,

John G. Townsend
Chief Engineer
