Mr. Wayne Heinen
1028 Pike Drive
Colorado Springs, Co.

Dear Wayne,

Thank you for your letter of March 9, 1976.
I hereby confirm your reception of KJSK AM
of Columbus, Nebraska during the time 12:13-12:16am
CST. This was a frequency measuring test and is
normally scheduled at this time the second Tuesday
of every month.

Our regular operating schedule is 6:00am
until sundown. I understand that when KJSK first
began broadcasting in 1948, we had listeners in
Colorado Springs.

Sincerely,

Terry A. Cowan
Station Manager
& Chief Engineer
