Dear Mr. Heinen:

This letter confirms your reception of KLIN on January 2, 1989 from Aurora, CO. We are always pleased to receive DX reports because being on a local channel we are not normally heard a great distance away. KLIN operates with a power of 1 KW. day and night with a 260 foot self-supporting tower located near 46th and Y streets in Lincoln, NE. Our main transmitter is a Harris MW-1 solid-state transmitter and we have a Baur 1 KW. tube transmitter as a backup. KLIN also operates KEZG-FM on 107.3 Mhz. We thank you very much for your reception report. I have include a KLIN Car Star to decorate your DX den with.

Very truly yours,

A handwritten signature in cursive script that reads 'William Seier'.
