KOIL radio 1290
Jerry Weist CE
Omaha Nebraska

Dear Mr. Jerry Weist,

I found some info from 8/22/65 reception of KOIL on 1290 kc at 2:49 ~~pm~~ am EST. Song "Breakaway" by the Newbeats then "Tell Her No" by the Zombies and the "Diamond Head" by The Ventures then you had the News.

You were heard at on a Hammarlund SP-200 Supra-Pro with a 80meter Horn Dipole Beamed N-S.

The weather was cold (24°) with slightly cloudy winds 0-5 mph. There was considerable interference from WIRL Peoria Ill.

I would appreciate any publication of KOIL radio such as Record surveys or coverage Maps.

I am enclosing one 5¢ stamp for return postage and would appreciate a verification if this report is found correct. ~~For~~ For your information Orchard Park is located 7mi South of Buffalo, N.Y.

Thanking you in advance

I Remain
