DEAR WAYNE,

I'M ALWAYS PLEASED TO HEAR FROM A DX'ER. THE REPORT ENCLOSED SOUNDS AS THOUGH IT WOULD BE OUR STATION. THE NEWS DIRECTOR IS WURDEMAN RATHER THAN BOARDMAN HOWEVER THE REST OF THE REPORT SOUNDS TO BE ACCURATE.

ENCLOSED YOU WILL FIND A BUMPER STICKER, AND SOME INFO ABOUT OUR STATIONS.

OUR FM STATION IS A 100,000 WATTS, WITH A 500 FT. TOWER. I HAVE ALSO INCLUDED SOME INFO ON IT.

THANK YOU.

TONY WORTMANN
