Mr Wayne Heinen
126 Linwood Ave
Orchard Pk, N.Y.

Dear Wayne:

This letter is to confirm or QSL your reception and logging of WERA on Fri, Mar 17, 1967 from 12:24 until 12:30 am EST.

WERA is a 500 watt, directional antennae, daytime only station, with studio's and offices located in the Park Hotel Annex, Plainfield, and transmitter on Oak Tree Rd in South Plainfield, and broadcasts from 6:30am until local sundown seven days a week.

We transmitt a figure eight pattern in a north-south direction using three 140 foot towers. Our transmitter is an RCA type BTA-1R, 1000 watt unit operated at half power. We began operation in Sept 1961.

We thank you for your interest and comments. Should you ever happen to be in our area, and would like to see our installation, you may drop in anytime during normal programming hours. We would enjoy talking with you.

Sincerly

Robert Balfour Chief Engineer

P.S. Sorry I took so long answering.
we have been very busy.
