

May 15, 1989

Mr. Wayne Heinen
4131 S. Andes Way
Aurora, CO. 80013

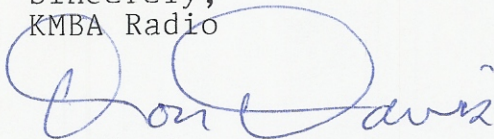

Dear Wayne:

This letter will verify your reception of KMBA Radio on May 11, 1989 from 5:21 AM to 5:25 AM MDT. KMBA was formerly KNXX, which went on the air in December 1987. The station was off the air until April 20th, when we returned as KMBA.

A copy of our directional pattern is enclosed for your reference. The nighttime pattern is the same except for a reduction in transmitter power from 1000 to 500 watts. The ERP toward you at night is about 2000 watts.

We appreciate your report!!

Sincerely,
KMBA Radio

Don Davis
President
