Mr. Wayne Heinen  
427 East Caramillo St.  
Colorado Springs, CO 80907

Dear Mr. Heinen:

Thank you for your letter of August 10, 1981 concerning your reception of KQEO on January 26, 1981.

This letter is to confirm that you did, in fact, receive Radio 920 on the date and time indicated (January 26, 1981 from 9:33pm-9:45pm).

Thank you for the brochure on the BCB hobby and the National Radio Club. I have passed it along to a few interested members of my staff.

While in Colorado Springs, I hope you keep your dial set on Z93 (KSPZ) or KVOR on the AM dial. Both stations are affiliated with Sunbelt Communications, Ltd., our parent company!

Sincerely,

RICHARD D. HOLCOMB  
Vice President/General Manager
