5000 WATTS NON-DIRECTIONAL DAY
5000 WATTS DIRECTIONAL NIGHT
with most of our power beamed north and south

Confirming your reception report of Oct 10, 76
between the hours of 9:36 MDT and 9:56 MDT

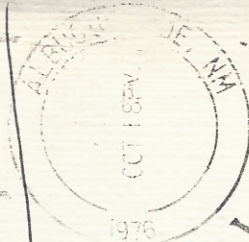

KRKE
P.O. BOX 737
ALBUQUERQUE, NEW MEXICO 87103
PHONE (505) 765-5600

Thanks for your reception
report from Colorado
Springs. We have
quite a well established
listenership in the southern
Colorado ski areas.

We send about 25 kW
your direction at
night in a major
lobe.

173 + D 4
