Dear Wayne:

It was a pleasure receiving your letter notifying us that you had the opportunity to tune-in KRZE on January 24, 1981. Based upon the information you provided, you indeed were listening to Don Wallace on "KRAZY 1280."

While this letter is nothing fancy I hope it will serve as the verification you requested. I hope you enjoyed programming you heard while tuned to our station and that you'll have the chance to listen in from time to time in the future.

Sincerely,

Ovie Cowles  
Program Director
