

# Two Great Ones!

# KORK

am/fm  
92/97

January 4, 1980

Dear Wayne,

This is to confirm your reception of KORK, Dec.18,1979 on 920 Khz at 4:25 to 4:30pm P.S.T. At the times of your reception KORK was running 5000 Watts of output power into a two-tower directional array.

Thank You for the Signal Report & Good DXing.

Thank You

Wayne G. Schenk  
Chief Engineer  
KORK Radio  
Las Vegas, Nevada
