Dear Wayne:

Thank you for your letter on February tenth, 1979 requesting verification of your reception of KBYE on February ninth, 1979. Please consider this letter as verification of your picking up KBYE'S signal.

I apologize for the lateness of my response; your letter was sandwiched between some other papers in my desk and when I cleaned it out this morning I found your letter and the rest is now history.

I want to wish you well as you continue dxing the broadcast bands, and hope you and your ribs are getting along better.

Sincerely,

Darwin G. Fitzgerald C.E.
