Mr. Wayne Heinen
4131 S. Andes Way
Aurora, CO. 80013-3831

Dear Mr. Heinen,

Thanks for your reception report on KCLI AM. Your report is correct and confirmed. KCLI AM operates with a 300' tower which helps our signal strength. We often get reports of reception usually from the East coast but normally in winter.

You have an interesting and rewarding hobby.

Best Wishes on continued success.

Dennis Burton
Chief Operator
KCLI AM/FM
