A STORZ STATION

BOX 1520
OKLAHOMA CITY,
OKLAHOMA 73101

Dear Listener:

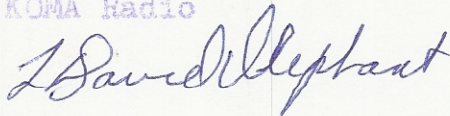

Thank you for your "listener report" showing your interest in Radio Station KOMA.

Radio Station KOMA is one of six owned by the Storz Broadcasting Co., and broadcasts on a power of 50,000 watts, day and night, using a directional pattern at night.

Studios and transmitter are located in Moore, a suburb of Oklahoma City, Oklahoma.

Again, thank you for your interest in KOMA, we hope that it continues.

Yours truly,
KOMA Radio

David Oliphant
Transmitter Supervisor
