Dear Wayne:

I would like to verify that the information you mentioned in your letter was broadcast by KRAD-AM. KRAD is a 400 watt directional daytime with two towers; the nighttime pattern, consisting of three towers and 250 watts. Our music format is country and western and we cover the Perry, North Central Oklahoma area.

Thank you again for your response and we will be looking forward to working with you and your organization in the future.

Sincerely,

John D. Deken
General Manager
