Thank for your letter and for listening.

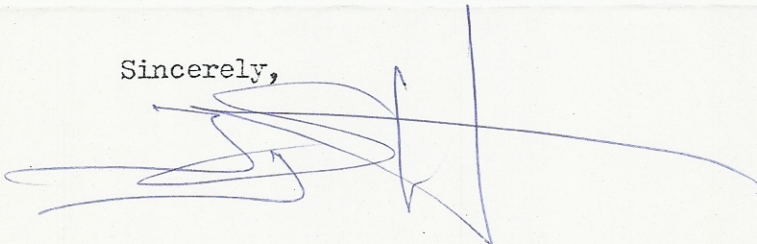

All the information you list is correct.

OK - Thank for your letter

KRMG operates on 740 kHz with a daytime power of 50,000 watts directional and a nitetime power of 25,000 watts directional. We use an RCA BTA-50J 50 kW Ampliphase Transmitter and an RCA BTA-50F1 50 kW Transmitter as a backup.

Thank again for writing and we hope you hear us again soon....

Sincerely,

Ty Stites
Studio Supervisor
