

KXCA
Lawton, Oklahoma
1380 kHz

Dear Wayne

This will verify your reception of KXCA on 1380 kHz on October 20, 1999
between 10:44 PM and 10:46 PM CDT.

Signed Bob Elliott

Date 5/24/01

KXCA-1380 for about 6 months was ID'ing as KPTK... No other ID... Got the weird prepared card back... A check if the FCC web application CDBS shows that they never acquired the KPTK calls. I also have a tape ID of it wat wayneheinen.com

KXCA (back to original calls)

~~KPTK~~ **1380 kHz**
Lawton, Oklahoma

This will verify your Reception of KPTK on February 20, 2004 between 1:58 AM and 2:05 AM CST on a frequency of 1380 kHz.

Signed *Tabor Pyles*

Date *8/24/05*

**Very interesting. Thanks.*

Go Broncos!
