General Manager
KXVQ Radio
513 Kihekah St
Pawhuska, OK 74056

Dear Sir,

I am very pleased to report reception of KXVQ on February 18, 1991 on 1500 kHz between 6:57 AM and 7:10 AM CST. I would like to offer the following program details as proof of this reception:

- 6:57 AM Tune into C&W Music
- 7:00 AM ABC Network News
- 7:04 AM PSA Oklahoma's first statewide Aluminum Can recycling drive "Together We Can"
- 7:05 AM Spot United Home Improvement w/ toll free 1-800 number... more C&W Music
- 7:07 AM "EJ the DJ" and another announcer started talking.. faded by 7:10..

Reception was possible with KSTP nulled out with my loop. Signal started great but faded as the sun rose higher. Typical Sunrise type reception. Although no call was heard, I'm assuming this was listed KXVQ because of the Oklahoma PSA.

Equipment in use while listening to KXVQ consisted of a R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

This is the second report of this reception to KXVQ, evidently my first report never arrived or was mislaid. I would appreciate receiving a verification from KXVQ radio to add to my collection of over 1300 cards and letters from stations on the Standard Broadcast Band. Thank you in advance for your time and consideration in answering this letter.

Yes your Log is correct.

Sincerely,

Wayne Heinen
