CHNR
1600

December 5, 1974.

Dear Wayne:

Thank you for your letter of December 2nd. The information you enclosed was correct.

In case you're interested, CHNR-1600 became 10,000-watts on November 1. Before that we were CFRS-1560 with an operating power of ~~1~~ 250-watts.

Thanks for listening.

yours truly,

Rick Hart
