

10,000 WATTS

# RADIO C-JOY

ST. GEORGE'S SQUARE, GUELPH, ONTARIO  
TELEPHONE - TAYLOR 4-0670

Dear Sir:

This is to confirm your letter of  
in which you state that you monitored Radio  
Station C-JOY, 1460 KCS., 10,000 Watts Day,  
5,000 Watts Night with Directional Pattern.

Your outline of our program from *3:01 am*  
*to 3:12 am EST on March 27, 1966,*  
is correct and verifies that you were monitoring  
C-JOY.

Thank you for your interest.

Yours sincerely,

Robert L. Nagyobb,  
Chief Engineer.
