Dear Mr. Heinen:

Thank you for your letter regarding hearing a KKPZ test on January 30, 2006 12:00AM PST on 1330 kHz. This is to confirm that you did hear our station, as KKPZ Portland, OR is our station.

Enclosed you will find a coverage map for our station. We always appreciate hearing from anyone who has heard our station, especially since my husband and I are involved with ham radio here in Portland.

I apologize for the delay in writing back. We used to air on 1290-AM KKSL, however, the band was retired here in Portland as of January 31, 2006 so we have been busy consolidating two stations into one!

Keep up the good work and have fun!

Sincerely,

Andrea Bolyard
Office/Operations Manager
