Dear Wayne:

This is to QSL and confirm your reception report of KQIK 1230 radio on 1-7-80.

Our station logs indicate that we performed the monthly frequency test this date from 1204am until 1212am PST. The transmitter was operating at a power level of 1000 watts and omnidirection in radiation. Your reception report is accurate and confirmed.

Radio KQIK 1230 uses the Gates BC-1J transmitter with the power level of 250/1000 watts of power, the station is totally automated using the SMC (Systems Marketing Corporation) automation equipment computer operated. We are in Lake county and are the only radio station in the county, we are one of the very few fully automated county only radio stations in the country.

Sincerely

  
Edward C. Ewell  
Chief Engineer KQIK
