August 20, 1965

Mr. Wayne Heinen
126 Linwood Avenue
Orchard Park, New York

Dear DX'er:

Thanks for your report of reception. This letter will verify it as being correct. It is always a pleasure to hear from DX'ers and to know that you are able to hear us.

WBCB has been on the air since December 7, 1957, and runs 1000 watts during the day and 250 watts at night, both non-directional to a 150-foot vertical antenna.

Thank you for your interest and please keep listening.

73,

William Shoop
Chief Engineer
