Dear Sir,

I am very pleased to report reception of KDSJ on October 27, 1988 on 980 kHz between 6:38 AM and 6:50 AM MDT. I would like to offer the following program details as proof of this reception:

- 6:38 AM Tune into Spot for local GE Anniversary Sale
- 6:39 AM Another spot lost in the interference and song "Look Away" Chicago
- 6:43 AM DJ gave short weather with 1/2 inch of snow and 20 degrees.
- 6:44 AM Promo for football tonight on KDSJ at 7:15pm station phone given 571-8216 in regards to something else and more music.
- 6:49 AM Spot for Restaurant given by the DJ then a spot for a printing company
- 6:50 AM Spot for Versatile Carpet Company & promo for KDSJ Community Express call 571-4826

Messing up the channel were KFVB, Los Angeles/ CKRM, Regina SK and KMBZ, Kansas City. I've heard bits and pieces of KDSJ in the past, but it took some real digging to get out enough for a report.

Equipment in use while listening to KDSJ consisted of a Radio Shack Model 12-655 TRF AM receiver with an oversized loop antenna mounted "bedside" for early morning listening before heading to work. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

If my report is found correct I'd appreciate a verification from KDSJ to add to my collection from over 1200 BCB stations. Also, if available any bumper stickers or station promo items to help decorate my "DX Den". Thank You in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,
